HIGH SCHOOL AND OFFICE — 2135 SOUTH PEARL STREET • SPruce 7-0306
GRADE SCHOOL — E. FLORIDA AT SO. CLARKSON ST. • RAce 2-2686 • DENVER 10, COLO.

To the Seniors:

The months are slipping by rapidly and soon you will be numbered among the alumni of Denver Christian High School. Your four years of high school will be ended.

But in reality this will only be a beginning. Many of you are planning to go on to college. For some your high school years will be your last contact with formal education. But for all of you the world of work, care, and adult concerns will soon be a reality.

This is a difficult era in which we are living. Scientific progress has been world-shaking. World peace is a question that is on the lips of everyone. New attack and defense weapons are being discovered, and equally effective counter-attack weapons are being unveiled. We are no longer sure of our national security. International problems press our country on all sides. It is in such an environment that you are coming into adulthood.

God has been good to you in providing you with a Christian environment during your growing years - at home, at school, and, of course, at church.

It is our hope and our prayer that in future years you will make good use of these blessings and opportunities.

God bless you to that end.

John T. Brouwer
Principal

Best wishes, Jay Lynn

BOARD OF DIRECTORS

SEATED: Dr. James De Roos, Secretary; Mr. Weibo Smith, Dr. Marvin Vanden Bosch, President; Mr. Glen Hageman, Treasurer; Mr. Meindert Bosch, Mr. John Zoetewey, Vice-President; Mr. Donald Jeltema.
STANDING: Mr. James Frens, Mr. Bert Nydam, Mr. William Bonnema, Dr. Adrian Baer, Mr. George Keeson, Mr. John Brouwer.

To the Class of 1958

The Christian School Society and the Board of Trustees join your parents, relatives and friends in congratulating you on work well done and wishing you well as you leave our schools. We would leave you with this parting thought:

The heights by great men reached and kept
Were not attained by sudden flight;
But they, while their companions slept
Were toiling upward in the night.

Our thanks to the Board of Directors

The many activities of our senior year have made it necessary for us to spend many hours at school after supper. Whom do we see these nights working diligently but our School Board. Yes, they work hard so that our school will function properly. Time means nothing to them where our school is concerned. To the Board we, the class of "58" say, "Thank you."

High school is a very important era in our lives. Our personalities are developed to a great extent and many life long acquaintances are made during this time. The future looms directly ahead of us and we are dubvious as to our place in it. Through this time we have needed much guidance. Our parents have helped us a great deal, but there were times when situations arose which could not be handled by our parents. This is the time that our teachers stepped in and gave us the guidance that we so needed. They helped us plan our courses, gave us reference when we needed them, and chaperoned our many parties. They could never say "No", to our requests. To our high school teachers whom we will always remember, we, the class of '58 say "Thank you."

"But as for you, continue in what you have learned and have firmly believed, knowing from whom you have learned it and how from childhood you have been acquainted with the sacred writings which are able to instruct you for salvation through faith in Christ Jesus. All scripture is inspired by God and is profitable for teaching, for reproof, for correction, and for training in righteousness that the man of God may be complete, equipped for every good work."
